Dance" , "Talking Houses" , "Panel Discussions" , "Fozzie's Monologue" , "Talk Spot" , "Muppet Labs" and "Gonzo's Act". Several changes were made for the second - The Muppet Show is a live-action/puppet television series that was created by Jim Henson and produced by ITC Entertainment and Henson Associates. It premiered on 5 September 1976 and ended on 23 May 1981, with a total of 120 episodes over the course of 5 seasons.

The rights to the series are currently owned by The Muppets Studio (a division of The Walt Disney Company), having been acquired from The Jim Henson Company in February 2004.

The 120 episodes were produced in the UK between 1976 and 1980; two pilot episodes were also produced, one in 1974 and the other in 1975. The UK broadcasts featured extra scenes that were not seen on US TV. There is no set broadcast order for the episodes, as they were shown in varying order in different regions. For the Season One DVD box set that was released in 2005, Buena Vista Home Entertainment placed the episodes in the order in which they were produced, rather than aired, for this reason. Due to the sequence in which the episodes are organized on DVD disc 1, Scooter is part of the backstage staff before his first appearance (Jim Nabors episode). The set also includes the longer UK versions of each of the episodes, though six song sequences were cut from the set because of licensing issues. It is common for television executives to insist on an edit of video release rather than pay money to the owners of the copyright of songs. Examples include the Vincent Price episode, the closing number of which, "You've Got a Friend", is cut on The Muppet Show: Season One DVD; it is available uncut and in English on the German DVD.

The tables below list episodes based on their initial airing dates, for the United Kingdom, except for the two pilots. Thus they may not necessarily be the order in which episodes were shown in all regions.

The Muppet Show was released for streaming on Disney+ on 19 February 2021. However, two episodes featuring guests Brooke Shields and Chris Langham are omitted from the streaming service, the former due to music licensing issues, and the latter possibly due to the actor's child pornography arrest. In several European countries, the episode featuring John Denver is omitted as well.

List of Totally Spies! episodes

seventh season of Totally Spies! was announced by French television network Gulli in a YouTube video posted by Totally Spies! YouTube channel on September - The animated television series Totally Spies! follows the adventures of three Beverly Hills teenage girls—Sam, Clover, and Alex—who work as secret agents on missions to save the world, involving real locations and some fictional ones. The series comprises

six seasons divided into 182 episodes. Framing each episode is a side story in which the girls deal with high school life and its situations. Most of the episodes are self-contained. In season 3, also titled *Totally Spies! Undercover*, the three girls share a villa, and at the end of that season, they are promoted to super spies in the organization and are referred to as such for season 4. Season 5 follows the girls' adventures as they continue onto university.

Totally Spies! premiered on November 3, 2001, on Fox Family (subsequently known as ABC Family, now called Freeform). It later premiered in Europe on channels such as Germany's ProSieben, France's TF1 and the United Kingdom's Channel 4 during the spring of 2002. The show was moved to Cartoon Network on July 7, 2003 where it enjoyed much success, and continued airing for a total of five seasons until 2009. It spawned a feature film *Totally Spies! The Movie* and a spin-off series *The Amazing Spiez!*.

In 2013, the show was revived for a sixth season, premiering at an event at the Palace of Versailles. Twenty-six episodes were broadcast on French television and networks across Europe starting on 4 September 2013. In Canada, the sixth season premiered on September 7, 2014 on Teletoon, and on September 6 on sister station Télétoon. The show has been broadcast worldwide on various networks, including TF1 in France, Teletoon in Canada, Cartoon Network in the US and Latin America, Network 10 in Australia, Rede Globo in Brazil, Disney Channel and Nickelodeon in Asia, Africa, and Europe (formerly Fox Kids and Jetix). The head writers for the show were Robert and Michelle Lamoreaux who were based in Los Angeles, and who had worked on Nickelodeon shows. The theme song for the first two seasons is "Here We Go" by Moonbaby (Miranda Cooper and Brian Higgins), but with lyrics changed slightly to fit the show. Seasons 3–5 use the same song but as instrumentals. During the closing credits of seasons 3–4, one of the girls, or occasionally Jerry or Mandy, talks directly to the camera about random topics which sometimes are tied to the episode theme. The sixth season uses a different theme song.

The seventh season premiered on May 12, 2024. The theme song is "Top Secret Mission", sung by Mila Branger.

On 13 June 2024, it was announced that the show has been renewed for an eighth season.

You Only Live Twice (film)

You Only Live Twice is a 1967 spy film and the fifth in the James Bond series produced by Eon Productions, starring Sean Connery as the fictional MI6 - *You Only Live Twice* is a 1967 spy film and the fifth in the James Bond series produced by Eon Productions, starring Sean Connery as the fictional MI6 agent James Bond. It is the first of three Bond films to be directed by Lewis Gilbert. The screenplay of *You Only Live Twice* was written by Roald Dahl, and loosely based on Ian Fleming's 1964 novel of the same name. It is the first James Bond film to discard most of Fleming's plot, using only a few characters and locations from the book as the background for an entirely new story.

In the film, Bond is dispatched to Japan after American and Soviet-crewed spacecraft vanish mysteriously in orbit, each nation blaming the other amidst the Cold War. Bond travels secretly to a remote Japanese island to find the perpetrators, and comes face-to-face with Ernst Stavro Blofeld, the head of SPECTRE. The film reveals the appearance of Blofeld, who was previously unseen. SPECTRE is working for the government of an unnamed Asian power, implied to be China, to provoke war between the superpowers.

During the filming in Japan, it was announced that Sean Connery would leave the role of Bond, but after one film's absence, he returned in 1971's *Diamonds Are Forever* and later in 1983's non-Eon Bond film *Never Say Never Again*. *You Only Live Twice* received positive reviews and grossed over \$111 million (equivalent

to \$1 billion in 2024) in worldwide box office. However, it was the first Bond film to see a decline in box-office revenue, primarily owing to the oversaturation of the spy film genre from Bond imitators, including a competing Bond film, *Casino Royale*, from Columbia Pictures (1967). The Bond series continued with *On Her Majesty's Secret Service* in 1969, the first film without Sean Connery in the lead role.

Banksy

publicist said, I don't want to take sides. But when you see entire suburban neighbourhoods reduced to rubble with no hope of a future—what you're really - Banksy is a pseudonymous England-based street artist, political activist, and film director whose real name and identity remain unconfirmed and the subject of speculation. Active since the 1990s, his satirical street art and subversive epigrams combine dark humour with graffiti executed in a distinctive stencilling technique. His works of political and social commentary have appeared on streets, walls, and bridges throughout the world. His work grew out of the Bristol underground scene, which involved collaborations between artists and musicians. Banksy says that he was inspired by 3D, a graffiti artist and founding member of the musical group Massive Attack.

Banksy displays his art on publicly visible surfaces such as walls and self-built physical prop pieces. He no longer sells photographs or reproductions of his street graffiti, but his public "installations" are regularly resold, often even by removing the wall on which they were painted. Much of his work can be classified as temporary art. A small number of his works are officially, non-publicly, sold through an agency he created called Pest Control. Banksy directed and starred in the documentary film *Exit Through the Gift Shop*, which made its debut at the 2010 Sundance Film Festival. In January 2011, it was nominated for the Academy Award for Best Documentary Feature Film. Banksy received the Webby Person of the Year award at the 2014 Webby Awards.

Sheila Canning

Canning family's future". Digital Spy. Archived from the original on 5 December 2017. Retrieved 4 December 2017. @neighbours (22 November 2019). "You - Sheila Canning is a fictional character from the Australian soap opera Neighbours, played by Colette Mann. The character was teased by the show's executive producer Richard Jasek in January 2012. The following month Mann's casting was announced. She had previously appeared in the soap in 1995 and 1996, temporarily taking over the role of Cheryl Stark for eight weeks. Mann made her debut screen appearance as Sheila during the episode broadcast on 3 May 2012. After taking a brief break to appear in a play, Mann was promoted to the regular cast. Sheila was created as a "warmer" version of 1980s character Nell Mangel (Vivean Gray) and a resident stickybeak.

Sheila was introduced as the grandmother of established character Kyle Canning (Chris Milligan). She is a widow and the matriarch of the Canning family. She often meddles in her family's business, believing she knows what is best for them. Mann described Sheila as being "pushy, slightly controlling – and a little bit of a gossip", while reporters called her "opinionated" and "over-affectionate". Sheila comes to Erinsborough to visit Kyle and she instantly clashes with his then girlfriend Jade Mitchell (Gemma Pranita). She also develops a comedic rivalry with Lou Carpenter (Tom Oliver). Sheila has had romantic relationships with Walter Mitchell (Chris Haywood), Russell Brennan (Russell Kiefel) and Clive Gibbons (Geoff Paine). Further exploration of the character's background began with the introductions of her children Naomi Canning (Morgana O'Reilly) and Gary Canning (Damien Richardson) in 2014. The character has been well-received by television critics. In February 2022, Mann confirmed that she had departed the show. Her final scenes aired on 16 February in Australia, with Sheila's exit taking place off-screen in subsequent episodes.
