

17 Edition

New Edition

tour. On February 17, 2022, the group was inducted into the Black Music & Entertainment Walk of Fame. On December 31, 2022, New Edition performed on Dick - New Edition is an American R&B/pop group from the Roxbury neighborhood of Boston, Massachusetts, formed in 1978 by singer/rapper Bobby Brown. Their name is taken to mean a new edition of the Jackson 5. The group reached its height of popularity in the 1980s and is considered the blueprint for what would become the modern boy band. The lineup originally consisted of Ricky Bell, Michael Bivins, Ronnie DeVoe, Bobby Brown, and Ralph Tresvant. Brown was fired from the group in late 1985 to begin a successful solo career, and they continued as a quartet for one album, before adding Johnny Gill to the lineup in 1987. Early hits included "Candy Girl", "Cool It Now", and "Mr. Telephone Man". Tresvant was the lead singer on most of the songs. In 1990, both Gill and Tresvant released their own solo albums, while the remaining three members formed the trio Bell Biv DeVoe; the group ceased to work together for the first half of the 1990s.

All six members of New Edition reunited in 1996 to record the group's sixth studio album *Home Again*. During the ill-fated *Home Again Tour*, both Brown and Bivins quit the group, forcing the remainder of the tour to be canceled. Various reunions have occurred since, usually with the 1987–1990 lineup, though occasionally also including Brown. Their last studio album was 2004's *One Love*.

On May 3, 2011, New Edition issued a press release on their official website announcing that all six members were reuniting as New Edition to kick off the 30th anniversary celebration of *Candy Girl* with their fans. They received their star on the Hollywood Walk of Fame on January 23, 2017. On January 24, 2017, a three-part docuseries, *The New Edition Story*, premiered on BET about the group's career and personal life. It was later announced that all six members will reunite to record another album and go on tour. On February 17, 2022, the group was inducted into the Black Music & Entertainment Walk of Fame.

On December 31, 2022, New Edition performed on Dick Clark's New Year's Rocking Eve with Ryan Seacrest. All six members were in attendance and performed various songs from both their group and solo careers. On September 24, 2023, in Farmington Hills, Michigan, New Edition was inducted into the National Rhythm & Blues Hall of Fame.

Minecraft

update on 17 June 2025 for Bedrock Edition and is planned to release on Java Edition at a later date. Development began for the original edition of Minecraft—then - Minecraft is a sandbox game developed and published by Mojang Studios. Formally released on 18 November 2011 for personal computers following its initial public alpha release on 17 May 2009, it has been ported to numerous platforms, including mobile devices and various video game consoles.

In Minecraft, players explore a procedurally generated, three-dimensional world with virtually infinite terrain made up of voxels. Players can discover and extract raw materials, craft tools and items, and build structures, earthworks, and machines. Depending on the game mode, players can fight hostile mobs, as well as cooperate with or compete against other players in multiplayer. The game's large community offers a wide variety of user-generated content, such as modifications, servers, player skins, texture packs, and custom maps, which add new game mechanics and possibilities.

Originally created in 2009 by Markus "Notch" Persson using the Java programming language, Jens "Jeb" Bergensten was handed control over the game's continuing development following its full release in 2011. In 2014, Mojang and the Minecraft intellectual property were purchased by Microsoft for US\$2.5 billion; Xbox Game Studios hold the publishing rights for the Bedrock Edition, the cross-platform version based on the mobile Pocket Edition which replaced the existing console versions in 2017. Bedrock is updated concurrently with Mojang's original Java Edition, although with numerous, generally small, differences.

Minecraft is the best-selling video game of all time, with over 350 million copies sold (as of 2025) and 140 million monthly active players (as of 2021). It has received critical acclaim, winning several awards and being cited as one of the greatest video games of all time; social media, parodies, adaptations, merchandise, and the annual Minecon conventions have played prominent roles in popularizing the game. The game's speedrunning scene has attracted a significant following. Minecraft has been used in educational environments to teach chemistry, computer-aided design, and computer science. The wider Minecraft franchise includes several spin-off games, such as Minecraft: Story Mode, Minecraft Earth, Minecraft Dungeons, and Minecraft Legends. A live-action film adaptation, titled *A Minecraft Movie*, was released in 2025, and became the second highest-grossing video game film of all time.

2025 FIFA U-17 World Cup

U-17 World Cup will be the 20th edition of the FIFA U-17 World Cup, the annual international men's youth football tournament contested by the under-17 national - The 2025 FIFA U-17 World Cup will be the 20th edition of the FIFA U-17 World Cup, the annual international men's youth football tournament contested by the under-17 national teams of the member associations of FIFA. It will be held in Qatar from 3–27 November. It will be the first of the five consecutive U-17 World Cups held in Qatar, preceding the 2026, 2027, 2028 and the 2029 tournaments.

This edition will be the opening of the annual cycle adopted by FIFA for the U-17 World Cup and the first to be played in the 48-team format instead of the previous biennial 24-team tournaments. As part of these changes, FIFA also decided to grant Qatar the hosting rights for the tournament for a five-year period from, 2025 to 2029.

Germany are the defending champions, having won their first title in 2023.

Morning Edition

Morning Edition is an American radio news program produced and distributed by NPR. It airs weekday mornings (Monday through Friday) and runs for two hours - Morning Edition is an American radio news program produced and distributed by NPR. It airs weekday mornings (Monday through Friday) and runs for two hours, and many stations repeat one or both hours. The show feeds live from 5:00 to 9:00 a.m. ET, with feeds and updates as required until noon. The show premiered on November 5, 1979; its weekend counterpart is Weekend Edition. Morning Edition and All Things Considered are among the highest rated public radio shows.

The show was hosted by Bob Edwards from its inception until it was retooled for a two-anchor format in 2004 with the introduction of Steve Inskeep and Renée Montagne. Montagne left the show in 2016, and was replaced by Rachel Martin, who stepped down from daily hosting in early 2023. Four regular anchors, including Inskeep, currently host the show on a rotating basis. A Martínez, who hosts from NPR West, joined on July 19, 2021, replacing David Greene, who hosted from 2012 through the end of 2020. Leila Fadel joined the anchor team in Washington at the end of January 2022, following the departure of Noel King. The network announced in early March 2023 that All Things Considered weekend host Michel Martin would be

joining the Morning Edition team as its fourth anchor following Rachel Martin's departure from daily hosting duties. She joined the show on March 27, 2023.

Special edition

The terms special edition, limited edition, and variants such as deluxe edition, collector's edition or expanded edition are used as a marketing incentive - The terms special edition, limited edition, and variants such as deluxe edition, collector's edition or expanded edition are used as a marketing incentive for various kinds of products, originally published products related to the arts, such as books, prints, recorded music and films, and video games, but now including clothing, cars, fine wine, and whisky, among other products. A limited edition is restricted in the number of copies produced, although in fact the number may be very low or very high. Suzuki (2008) defines limited edition products as those "sold in a state that makes them difficult to obtain because of companies limiting their availability to a certain period, quantity, region, or channel". A special edition implies there is extra material of some kind included. The term is frequently used on DVD film releases, often when the so-called "special" edition is actually the only version released.

How to Win Friends and Influence People

through 17 editions in its first year alone. In 1981, a revised edition containing updated language and anecdotes was released. The revised edition reduced - *How to Win Friends and Influence People* is a 1936 self-help book written by Dale Carnegie. Over 30 million copies have been sold worldwide, making it one of the best-selling books of all time.

Carnegie had been conducting business education courses in New York since 1912. In 1934, Leon Shimkin, of the publishing firm Simon & Schuster, took one of Carnegie's 14-week courses on human relations and public speaking, and later persuaded Carnegie to let a stenographer take notes from the course to be revised for publication. The initial five thousand copies of the book sold exceptionally well, going through 17 editions in its first year alone.

In 1981, a revised edition containing updated language and anecdotes was released. The revised edition reduced the number of sections from six to four, eliminating sections on effective business letters and improving marital satisfaction. In 2011, it was number 19 on Time's list of the 100 most influential Nonfiction books.

2016–17 Ukrainian Basketball SuperLeague

The 2016–17 Ukrainian Basketball SuperLeague is the 2016–17 edition of the Ukrainian basketball championship., the first after merging the two leagues - The 2016–17 Ukrainian Basketball SuperLeague is the 2016–17 edition of the Ukrainian basketball championship., the first after merging the two leagues in the previous season.

2025 FIFA U-17 Women's World Cup

will be the 9th edition of the FIFA U-17 Women's World Cup, the international women's youth football championship contested by the under-17 national teams - The 2025 FIFA U-17 Women's World Cup (Arabic: ??? ?????? ??????? ?? ???? ?????? 2025) (French: Coupe du Monde Féminine U-17 de la FIFA Maroc 2025) will be the 9th edition of the FIFA U-17 Women's World Cup, the international women's youth football championship contested by the under-17 national teams of the member associations of FIFA. It will be hosted by Morocco. It will be the first time the FIFA U-17 Women's World Cup is to be held in Africa and the second Arab country to host it after Jordan in 2016. It will be the first edition to feature 24 teams and be played annually. It will also be the first of five consecutive FIFA U-17 Women's World Cups to be held in

Morocco.

North Korea are the defending champions, having won a record third title in 2024.

The Far Side

any of the strips. In 2003, Gary Larson drew a cover for the November 17 edition of The New Yorker magazine (the Cartoon Issue), a prestigious offer he - The Far Side is a single-panel comic created by Gary Larson and syndicated by Chronicle Features and then Universal Press Syndicate, which ran from December 31, 1979, to January 1, 1995 (when Larson retired as a cartoonist). Its surrealistic humor is often based on uncomfortable social situations, improbable events, an anthropomorphic view of the world, logical fallacies, impending bizarre disasters, (often twisted) references to proverbs, or the search for meaning in life. Larson's frequent use of animals and nature in the comic is popularly attributed to his background in biology. The Far Side was ultimately carried by more than 1,900 daily newspapers, translated into 17 languages, and collected into calendars, greeting cards, and 23 compilation books, and reruns are still carried in many newspapers. After a 25-year hiatus, in July 2020, Larson began drawing new Far Side strips offered through the comic's official website.

Larson was recognized for his work on the strip with the National Cartoonist Society Newspaper Panel Cartoon Award for 1985 and 1988, and with their Reuben Award for 1990 and 1994. The Far Side won the 2020 Webby People's Voice Award for Humor in the category Web.

Early Edition

Early Edition is an American fantasy comedy-drama television series that aired on CBS from September 28, 1996, to May 27, 2000. Set in Chicago, Illinois - Early Edition is an American fantasy comedy-drama television series that aired on CBS from September 28, 1996, to May 27, 2000. Set in Chicago, Illinois, it follows the adventures of a man who mysteriously receives each Chicago Sun-Times newspaper the day before it is actually published, and who uses this knowledge to prevent terrible events every day. Created by Ian Abrams, Patrick Q. Page, and Vik Rubinfeld, the series starred actor Kyle Chandler as Gary Hobson, and it featured many real Chicago locations over the course of the series' run.

The show was canceled on May 27, 2000, after 90 episodes were made, and it began airing in syndication on Fox Family Channel that same month. Fan conventions about the show were held for multiple years. CBS Home Entertainment released the first two seasons on the DVD format in the United States in 2008 and 2009. The complete series was released on DVD in 2020.
